Saskatchewan Highway #55 "Town of Smeaton to City of Prince Albert to The Sask./ Alberta Border"

MILE	KM	ITEM	SUMMARY	MILE	KM
0.0	0.0	Prince Albert (Junction of Highway 2 and Highway 55)	Junction of Highway 2 and Highway 55. North to Prince Albert National Park. Prince Albert National Park protects a slice of the "boreal"™ forest. It is also a meeting place or transition zone between the parkland and the northern forest. The park features many outstanding natural wonders and cultural treasures, including the only fully protected white pelican nesting colony in Canada, the isolated, lakeside cabin of conservationist Grey Owl and a free-ranging herd of plains bison.	46.6	75.0
