Road Map Travel Guide

104.0	167.4	Anaconda Exit	The historic mining town of Anaconda is a few miles to the west of here. From this spot on the highway you can clearly see the Anaconda Smelter Stack. This is the worlds highest smokestack. This is also the southern end of the Pintlar Scenic Highway (Montana Hwy. 1). All services.	102.0	164.1
107.0	172.2	Gregson Exit	Takes you to Fairmont Hot Springs. No services.	99.0	159.3
112.0	180.2	Ramsey Exit	Exit to small community of Ramsey. No services.	94.0	151.3
115.0	185.1	Junction of I-90 and I-15	I-15 takes you south to Dillon, Idaho, and Salt Lake City. No services.	91.0	146.4
117.0	188.3	Rocker Exit	Good gas stop. Two large travel plazas here. Gas, food and lodging.	89.0	143.2
119.0	191.5	I-90 Business bypass to Butte	Taking the left fork here will take you into the western part of Butte. No services.	87.0	140.0
121.0	194.7	Montana St. Exit-Butte	Go left (north) off this exit to historic uptown Butte and the campus of Montana Tech Mining College. The Butte Visitors Center is your next right after you go under the Interstate. There is an excellent collection of fly-fishing flies here. Gas and food.	85.0	136.8
123.0	197.9	Harrison Ave. Exit - Butte	This exit is where most of the motels and fast food in Butte are located. Going south off this exit will take you to the airport. Going north will wind you toward uptown Butte. All services.	83.0	133.6
125.0	201.2	Junction of I-90 and I-15 North	This takes you toward Helena past the mining towns of Boulder and Basin. The radon mines of Montana are along here too. No services.	81.0	130.4
126.0	202.8	Continental Dr. Exit	This exit takes you to residential areas of Butte. Immediately past this you will see on your right the Butte High Altitude Training Center for speed skaters. This is where many of the Olympic speed skaters train. Immediately ahead you are entering the Homestake Pass area. Slow down on this stretch. The grade is steep and the curves are tricky. The speed limit for semi's is only 25 mph through most of the pass. No services.	80.0	128.7
131.0	210.8	Homestake Exit - Continental Divide	This exit will take you to Homestake Lake. Elevation here at the Continental Divide is 6,393 ft. The unique rock formations through here are part of the Boulder Batholith. No services.	75.0	120.7
139.0	223.7	Pipestone Exit	Ranch access. Private campground.	67.0	107.8
149.0	239.8	Whitehall Exit	Whitehall has recently become known as the 'City of Murals'. There are more than 10 buildings with scenes depicting the Lewis and Clark Expedition painted on their walls. Worth a side trip through the town. As you drive past Whitehall, the carved-up mountain to the north is the Golden Sunlight Gold Mine. Gas, food, and lodging.	57.0	91.7
154.0	247.8	Cardwell Exit	Junction of County Hwy. 359. This highway parallels the Jefferson River and takes you to Lewis and Clark Caverns. Worth the sidetrip. This is also a backdoor route to Yellowstone Park. Head north from this exit to State Hwy. 69 that will take you along the Boulder River to Boulder Hot Springs and the town of Boulder at the junction of I-15. Gas and camping.	52.0	83.7
159.0	255.9	Cottonwood Canyon	The highway takes you through a minor pass. Just before entering you will notice the Tobacco Root Mountains to the south.	47.0	75.6
165.0	265.5	Milligan Canyon Exit	This road takes you to the Parker Homestead State Park, Montana's smallest state park. No services.	41.0	66.0
172.0	276.8	Junction I-90 and U.S Hwy. 287	Go south to Lewis and Clark Caverns. Also a back door to Yellowstone Park. Go north to Townsend, Canyon Ferry Lake, and Helena. Gas, food, lodging and camping.	34.0	54.7
176.0	283.2	Three Forks Exit	Takes you into small community of Three Forks. Go north to reach the Headwaters State Park. This is where the three forks of the Jefferson River, the Madison River, and the Gallatin River join to form the Missouri. When Lewis and Clark reached this point, they proceeded on up the Jefferson. Just prior to reaching this exit you crossed the Jefferson River. Ahead of you the highway will cross over the Madison River. Just past the Logan Exit you will cross over the Gallatin River. Gas, food, lodging and camping.	30.0	48.3
181.0	291.3	Logan Exit	Go south here to reach Buffalo Jump State Park. Food.	25.0	40.2
186.0	299.3	Manhattan Exit	Small town of Manhattan. This is the Manhattan of the Beef Council commercials. Gas, food, camping.	20.0	32.2
