Road Map Travel Guide

71.2	114.5	Point of Interest	Bridge crossing Whitemouth River, MB. The mouth of Whitemouth River empties into the Winnipeg River system. The Whitemouth River begins in a remote forested area just north of the border between the United States of America and Canada. Whitemouth Lake feeds the river year round, along with many wetlands throughout the Sandilands Provincial Forest area. The river runs north and crosses the Trans-Canada Highway where it enters an area of farmlands. There are many rapids along the river.	21.9	35.3
73.2	117.8	Junction of Highway #44	Note highway #44 overlaps with highway #11 at this point	19.9	32.0
