1.6	2.6	Access to Fort Clatsop National Memorial Site	This site commemorates the 1805-06 winter encampment of the 33-member Lewis and Clark Expedition. A 1955 community-built replica of the explorers' 50'x50' Fort Clatsop is the focus of the park. The fort, historic canoe landing, and spring are nestled in the coastal forests and wetlands of the Coast Range as it merges with the Columbia River Estuary. The Salt Works unit commemorates the expedition's salt-making activities. Salt obtained from seawater was essential to the explorers' winter at Fort Clatsop and their journey back to the United States in 1806.	4.7	7.5

6.3	10.1	Fort Stevens - Fort Stevens Military Museum	<p>Fort Stevens was the primary military defense installation in the three fort Harbor Defense System at the mouth of the Columbia River (Forts Canby and Columbia in Washington were the other two). The fort served for 84 years, beginning with the Civil War and closing at the end of World War II. Today, Fort Stevens has grown into a 3,700 acre park offering exploration of history, nature, and recreational opportunities. Fort Stevens State Park is Oregon's largest campground The campground is open year-around with 600 campsites.</p> <p>Over 100 years ago, young soldiers dressed in Union blue stood watch over Fort Stevens at the mouth of the Columbia River. Originally commissioned as a Civil War fortification in 1863, Fort Stevens was deactivated as a military fort shortly after World War II. It is now an Oregon State Park. Its museum features military artifacts, guided tours, interpretive displays, movies, and living history demonstrations.</p>	0.0	0.0
6.3	10.1	Fort Stevens State Park Military Museum	Visitors can explore the abandoned gun batteries and climb to the nearby commander's station for a scenic view of the Columbia River and South Jetty. During the summer, there are guided walking tours of the underground Battery Mishler and tours of the entire complex aboard a 2-1/2 ton U.S. Army truck.	0.0	0.0
