Road Map Travel Guide

34.8	56.0	Junction of Highway # 20	<p>East to communities of Chimacum, WA. - Port Townsend, WA. East to Whidbey Island Ferry, WA. East to Old Fort Townsend, WA. State Park. The park has 40 campsites, one dump station, two restrooms and one shower. Maximum site length is 40 feet. East to Fort Worden, WA. State Park. Fort Worden, WA. State Park Conference Center is a 433-acre multi-use park with 11,020 feet of saltwater shoreline and a wide variety of services and facilities. The park rests on a high bluff overlooking Puget Sound. Many historic buildings remain at this 19th century military fort.</p> <p>Fort Worden State Park has two campgrounds.</p> <p>The beach campground has 50 full-service hookup sites tucked between the bluffs and the beaches of Point Wilson. The upper campground has 30 sites with water and electricity, and a sewer dump station nearby. The campsites are mostly forested, some with privacy. They are fairly level, and quite long. Both campgrounds have restrooms with showers.</p> <p>Maximum site length is 60 feet. The campsites are popular year-round.</p>	86.9	139.8
34.8	56.0	Junction of Highway # 20	<p>East to Mystery Bay, WA. State Day Park no campground. This 10-acre marine park is reachable by car or boat. The park features 685 feet of saltwater shoreline on Mystery Bay and offers a spectacular view of the Olympic Mountains. East to Fort Flagler. Fort Flagler State Park is a 784-acre marine camping park surrounded on three sides by 19,100 feet of saltwater shoreline. The park rests on a high bluff overlooking Puget Sound, with views of the Olympic and Cascade Mountains. Many historic buildings remain at this 19th-century-established military fort. The park has 101 standard tent sites, 14 utility spaces, one dump station, four restrooms (one ADA) and eight showers (two ADA).</p> <p>Forty-seven standard tent sites are in the upper camping area. Because this area is on a bluff above the water and is canopied with trees, it is not suitable for large RVs.</p> <p>Fifty-four sites are in the lower park area and have easy access to the water. Maximum site length is 50 feet</p>	86.9	139.8
