0.0	0.0	Welcome to Hot Springs, South Dakota	Tribal tradition states that as long ago as the 16th century, the Fall River Valley & canyon area were seldom without groups of Tetis belonging to North American Plains Tribes. They knew the curative value of the warm springs located there and used them for bathing their sick & lame. Exploration of the area in 1874- 1875 led to the discovery of 75 geothermal springs.	33.0	53.1
