Minnesota United States Highway #2

MILE	KM	ITEM	SUMMARY	MILE	KM
0.0	0.0	State Line of North Dakota and Minnesota	City of East Grand Forks. East Grand Forks is located in Northwestern Minnesota on the border with neighboring North Dakota at the intersection of US Highway 2 and Minnesota Highway 220. The city is characterized by small town friendliness and hosts several community events including Catfish Days and the Frosty Bobber fishing tournaments, Heritage Days, and an Arts and Crafts exposition each year. The city also participates in activities with neighboring Grand Forks, ND including the Potato Bowl parade.	695.0	1,118.5
0.0	0.0	View from highway	Photo view crossing the Red River.	695.0	1,118.5
0.0	0.0	View from highway	View driving South of the Red River. The Red River is internationally known for its trophy-sized channel catfish. The area from Fargo, North Dakota, and Moorhead, Minnesota, north to Lake Winnipeg, Manitoba, Canada, is prime territory for large catfish.	695.0	1,118.5
0.1	0.2	Red River State Recreational Area	Access on the South side of the highway. This state recreation area has a 1,200-acre greenway. Included in this greenway area is a new campground that features 72 campsites including 48 electric sites that have full hookups (sewer and water). The new recreation area also includes trails for walking and biking, areas for picnicking and rivers for fishing and boating.	694.9	1,118.3
0.4	0.7	Junction of Highway #220	Access to communities of Alvarado and Robbin - North of highway. Community of East Grand Forks on the South side of highway. Note: Highway #220 overlaps Highway #2 at this junction.	694.6	1,117.8
3.5	5.6	Junction of Polk County Roadway #17		691.6	1,112.9
3.9	6.3	Access to Highway #2 Business Route	South side of the highway.	691.1	1,112.2

Road Map Travel Guide

114.0	183.5	Point of Information	Crossing the Mississippi River. The Mississippi River is one of the world's major river systems in size, habitat diversity, and biological productivity. It is the longest and largest river in North America, flowing 3,705 kilometers from its source at Lake Itasca in the Minnesota North Woods, through the mid-continental United States, the Gulf of Mexico Coastal Plain, and its subtropical Louisiana Delta. 'Mississippi' is an Ojibwa (Chippewa) Indian word meaning 'great river or gathering of waters' --an appropriate name because the river basin, or watershed, extends from the Allegheny Mountains in the eastern United States to the Rocky Mountains.	581.0	935.0
695.0	1,118.5	Start / Finish of Highway Travel Guide.	For continuance of this highway east, see Milebymile.com - Section 2- City of Bemidji to City of Duluth	0.0	0.0
