MILE	KM	ITEM	SUMMARY	MILE	KM
0.0	0.0	Welcome to Pennsylvania!	Junction of I-78 East to Fredericksburg, Allentown and Bethlehem. I-81 North to cities of Wilkes-Barre and Scranton. North access to Swatara State Park (currently under development / 2005 ). The 3,515-acre Swatara State Park consists of rolling fields and woodlands situated along Interstate 81 between Second and Blue mountains. After settlement by Europeans in the 1750s, anthracite coal was discovered in the Tremont area. In the 1820s, as the demand for coal rose, a need for better transportation led to the construction of the Union Canal that connected the Schuylkill and Susquehanna rivers. From Lebanon, a branch canal was constructed to Pine Grove through what is now the Swatara State Park. -- For highway travel east via Interstate # 78 - See Milebymile.com Road Map Highway Travel Guide - I #78 - Pennsylvania/New Jersey State Line to Fredericksburg (Junction of I-81) for driving directions.	142.9	230.0
